

## THIS VIRGINIAN IS LIKE A NEW MAN

Powell Was Unfit for Anything  
Before Taking Tanlac—Is  
Now Feeling Fine.

"A few bottles of Tanlac have made me feel like a new man all over," said James T. Powell, 15 N. Main, Berkeley, Va., recently.

"For three years," he continued, "my appetite had been very poor, and I had gotten to be so badly run down, weak and nervous that it was an effort for me to work at all. For the past eight months I couldn't eat a bite of breakfast and the little I managed to eat at other times seemed to do me no good. I was so nervous and restless that I couldn't sleep and always felt tired and worn out. I had no energy and but little strength left and felt miserable and unfit for anything.

"But I am an entirely different man since I began taking Tanlac. I sleep like a log every night and get up feeling so hungry I can hardly wait for breakfast to be put on the table. I am full of new life and energy and feel so strong and active. I believe I could win in a foot race. I have picked up several pounds in weight and am feeling just fine. There is something about Tanlac that does the work all right."

Tanlac is sold in Memphis exclusively by Weiss Pharmacy and Warrick Drug Company.

## TOO MUCH BULL— DOG FOR EDITOR

Too much bull—  
Dog.

Jim Armstrong, clerk of the police department, and editor of the police bulletin, nursed a bruised knee Monday as a result of the youthful vim of a big bulldog.

Jim got off an East End car at Morrison street and started for the side walk when a boy whistled for his bulldog. The dog made such haste in responding to the whistle that he upset Jim in his mad flight to his master.

## STRICKEN IN PRISON.

Suffering from an attack of appendicitis, Lester Sanders, Blytheville, Ark., was rushed to the General Hospital Monday morning at 11 o'clock from the city prison, where he was being held for Tipton county authorities. Emergency Policemen Oliver and York made better time than an ambulance in getting the man to the hospital.

## LET "DANDERINE" SAVE YOUR HAIR

Check Ugly Dandruff! Stop  
Hair Coming Out and  
Double Its Beauty.

A little "Danderine" cools, cleanses and makes the feverish, itchy scalp soft and pliable; then this stimulating tonic penetrates to the hair roots, revitalizing and invigorating every hair in the head, thus stopping the hair fall, ing out, or getting thin, dry or fading.

After a few applications of "Danderine" you seldom find a fallen hair or a tuft of dandruff, besides every hair shows new life, vigor, brightness, more color and thickness.

A few cents buys a bottle of delightful "Danderine" at any drug or toilet counter.

## "ONLY ONE THING BREAKS MY COLD!"

'That's Dr. King's New  
Discovery for fifty years  
a cold-breaker.'

Nothing but sustained quality and unfailing effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn colds and coughs, and new ones, gripe, throat-tearing coughs and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today.

Fifty years old and always reliable, good for the whole family. A bottle in the medicine cabinet means a short-lived cold or cough. 50c and \$1.25. All druggists.

## Regular Bowels Is Health

Bowels that move spasmodically—free one day and stubborn the next—should be healthfully regulated by Dr. King's New Life Pills. In this way you keep the impurities of waste matter from circulating through the system by cleansing the bowels thoroughly and promoting the proper flow of bile.

Mild, comfortable, get always reliable. Dr. King's New Life Pills work with precision without the constipation results of violent purgatives. Was as usual at all druggists.

## MEET MAYOR WEDNESDAY NIGHT

Weekly Staff Conference Will  
Be Feature of New Adminis-  
tration—Mayor Seeks Bet-  
ter Co-operation.

Mayor Rowlett Paine has called a conference of heads of all city departments for Wednesday night in the city council chamber. He plans to have such a conference each week, and from time to time, beside the bureau heads, other subordinate officials will be invited to attend.

His idea is that there has been much lost motion at the city hall through failure of the different departments to co-ordinate their work, and that by holding these weekly staff meetings, more efficient service can be given to the public by arranging for closer co-operation by each city department with the others.

Policemen, sanitary officers, street inspectors and other minor officials cover the same territory, but apparently, none of them report on any matters except those in their immediate department. Much time can be saved, Mayor Paine believes, by having policemen and firemen, for example, instructed to report upon anything that they observe, whether it is a trash pile that is a fire hazard, a leaky hydrant, or a trash container that has not been emptied.

The officials invited to the first meeting include the city attorney and his assistant, the city paymaster, city clerk, superintendent of the health department, city treasurer, collector of licenses, building inspector, electrical inspector, city engineer, and his chief clerk, the city auditor and the chiefs of the police and fire departments.

Mayor Paine will have a conference of all employees of the health department Wednesday morning. He held a conference Monday afternoon with the members of the city recreation commission and will meet Tuesday night with the Memphis and Shelby County Medical society.

The mayor also accepted the invitation to join Chairman Heard and the members of the county court at dinner Monday.

## FREE SCHOOL FOR SERVICEMEN SURE

Knights of Columbus Member-  
ship's Final Approval Only

Is Lacking.

Final decision as to whether or not one of the free schools for ex-service men, under the auspices of the Knights of Columbus, will be established in Memphis will be made at the next regular meeting of Council 615. Preliminary plans have already been perfected and officers of the local council feel sure that their organization will lend its support and indorsement to the movement. It needs only a vote of the members, whose approval seems assured.

J. J. McGrath, one of the war secretaries of the Knights of Columbus, with headquarters at Savannah, Ga., has been in Memphis for several days perfecting plans for the school and accompanying him are R. E. Demek of Hazleton, Pa., and J. J. O'Shea, of Boston. Mr. Demek is in charge of registration for the school, and applicants are being received at the council headquarters, 190 Jefferson avenue.

The school to be established in Memphis would be a gift from the Knights of Columbus to former service men, and while the Knights of Columbus is composed entirely of Catholics, they emphasize the fact that the schools are strictly nonsectarian. All supplies and equipment, including text books, would be furnished free of charge. The local school would be opened on Feb. 2, and classes will be held daily except Saturday and Sunday from 7:30 to 9:30 o'clock in the evenings.

Six-seventeen enrolling in the school might select any of the following courses of study which they desire:

Complete business course, including Spanish; practical education; high school; motor transport (electrical); engineering course (mechanical); radio telegraphy; lumber, with special attention paid to the inspection, logging, measurement, etc., cotton classing, transportation, etc.

All men formerly in the service of the United States during the period of the war would be welcomed to the school and full information concerning the school is outlined in a letter that is being sent to former service men in Memphis. Detailed information can also be secured at R. E. Demek's headquarters, 190 Jefferson avenue.

## BRUTUS SATBS CAESAR AT CHINA INN; WHAT?

"That was the unkindest cut of all," murmured Charles Pong, 33, waiter at the China Inn, at the interior at the General Hospital sewed up incised wounds on his fingers and ear Sunday night. Charles explained that he had been cut accidentally by another waiter.

## OFFERS ASSISTANCE UPON CITY CENSUS

Mayor Paine has written C. G. Dean, supervisor of the census, offering any assistance the city officials may be able to render in the taking of the census which began the first of the year and is now in progress. The mayor wrote that it might be possible for the police or others of the city employees who cover the entire city in the performance of their duties to assist the enumerators in their work.

## CINEMA OF CRIME REFLECTED UPON POLICE BLOTTER

It did look as though Tom Austin, negro, 148 McKinney, should be protected while he was at church Sunday. But he wasn't. He got back from the preaching and found \$125.00 in cash and furniture receipts to be missing.

Another fellow missing—not cylinders, but stock and carburetor. The loser is R. F. Lott, 608 Peyton. The fellow bore Arkansas license No. 4662.

Perhaps Mrs. Ellen Ennetini had not heard of the armistice. At any rate, police charge she pulled a pistol on Mrs. Annie Newman, 784 St. Paul avenue, Monday morning about 7:30. They arrested Mrs. Ennetini on charges of assault with and carrying a pistol.

"Put 'em up," said two negro stick-ups to E. G. Anderson, 1199 Trigg avenue, Saturday night, as he crossed the Belt line. Anderson put up his hands, \$7.94 in cash and his watch.

The pistol fancier did a nice business Sunday. Victims were J. B. Bagie, Princess hotel, 172 South Main, and E. C. Catline, Park field.

Leon Oppenheimer, 1253 Peachbody avenue, evidently hasn't had much use for the "soup and fish" recently. For when he informed police Sunday that his full dress suit was stolen, he said it was taken sometime in the past six months.

Jeff Davis—the Jeff who conducts a pressing shop at Calhoun avenue and Front street—has nine suits of clothes and three extra pairs of trousers Sunday, when his establishment was visited by thieves.

John Reyes, who claims Mexico as his place of nativity, reported to the police Sunday that a negro had snatched his pocketbook containing \$75, while they were passengers on an eastbound Vance avenue car, at Vance and Avery.
